

DEKBOARD®

decking and balustrade systems

New for 2021

DEKBOARD PLUS

A wider 195mm board with a unique contemporary look.

At DekBoard, we provide a stylish, practical decking and balustrade system, made especially for static caravans, lodges and park homes.

DekBoard Plus has been introduced in line with the latest decking trends, with the wider 195mm board giving a sleeker visual appeal, whilst providing the same great qualities as DekBoard.

DekBoard Plus really will help you create an outdoor living space with that added 'wow factor'.

Why DekBoard Plus is the right choice:

- Embossed timber effect tread surface, meaning an excellent level of slip resistance in both wet and dry conditions
- Slightly domed surface to allow water to run off effectively
- Low maintenance, meaning less work and more enjoyment
- Wider boards offer a beautiful contemporary style, the perfect finish to your outdoor living space
- Made from responsibly sourced materials and 100% recyclable
- Peace of mind with a 10 year product performance guarantee
- Strong construction and will carry high loads
- Will not crack or splinter and will not warp like timber.

Dekboard Plus is tested to:

- Fire Classification - BS EN 13501-1 : 2018
- Slip Resistance - BS7976 - 2
- Load Span Ref - BS EN 1991-1-1 : 2002

We also offer a range of balustrade options and other accessories to beautifully complement your deck. Visit our website to find out more information.
